Pavilion dv7-4260ca Entertainment Notebook PC

Made for serious play.

Now there's a notebook PC made for the way you play. In fact, the HP Pavilion dv7 comes with software that lets you start playing right out of the box. With amazing graphics, audio, and video, plus a wide array of options, the HP Pavilion dv7 Entertainment series notebook delivers power and performance to match your fast-paced lifestyle.

Windows®. Life without Walls™.
HP recommends Windows 7.

It's always showtime.

Exclusive HP MediaSmart software gives you instant access to the music and movies you love. Immerse yourself in videos, games and intensive graphics on the high-definition 17.3" diagonal HP BrightView Infinity LED display.[8] Look your best in any light with the HP TrueVision Webcam[15] and sound great with integrated dual-array digital microphones for improved noise reduction. With the large hard drive, you can store volumes of data, movies, and music.

- VISION Technology from AMD - Ultimate with AMD Phenom™ II Quad-Core Processor P960[2a] is the perfect match for your entertainment lifestyle, delivering phenomenal performance for media and multi-tasking.
- Blaze through intensive graphics with an ATI Mobility Radeon™ HD 6550.
- Support for Microsoft DirectX® 11.
- Backup your data with the HP ProtectSmart Hard Drive Protection.
- Push your visual experience to the limit with an edge-to-edge flush display.
- Enter data faster and calculate more easily with the numeric keypad.
- Get up to 7 hours and 30 minutes of life with the 9-cell 93WHr Li-Ion battery.[28]

Impressive inside and out.

The Pavilion dv7 notebook offers style with substance, featuring a sleek aluminum chassis etched with the stream design. The integrated fingerprint reader and HP SimplePass Identity Management software give you a quick, easy and secure way to access your favorite websites with a single swipe. Built for longevity with higher-quality components, the Pavilion dv7 also includes a comfortable, responsive island-style keyboard. An easy-to-use, oversized Clickpad supports multi-touch gestures to keep you operating at maximum efficiency.

Do it all at the speed of life.

The latest mobile processors provide the performance you need. Longer battery life makes it last. With integrated WiFi[10b] and Bluetooth technology[10], you'll never feel out of touch. To make the best use of your time, one-touch keys launch the applications and functions you use most. And if you hit any bumps along the way, HP ProtectSmart Hard Drive Protection can help save your valuable information.

Hear all the music.

With Beats Audio™, your PC can finally unlock the sounds that musicians and producers spend hours perfecting in the mixing booth. Engineered in collaboration with music industry veterans, Beats delivers studio-quality playback through line-out to headphones or external speakers. The built-in HP Triple Bass Reflex Subwoofer boosts audio played through the dv7's Altec Lansing speakers.

Relax With 24/7 Support

Enjoy the lifetime use of HP Support Assistant to keep your PC up to date, troubleshoot problems, and get assistance when you need help. While your PC is within Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer: [32]

- **From your desktop:** Click the HP Support Assistant icon for quick access to automated maintenance, preinstalled content, diagnostic tools, and multiple assistance options.
- **Through the Internet:** Visit our Consumer Support Forum, available 24/7 in English at www.hp.com/support/consumer-forum or French at http://www.hp.com/fr/assistance/forum. In Canada, go to www.hp.ca/totalcare.
- **By telephone:** In Canada., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service plan. Visit www.hp.ca/totalcare for your choice of plans.

If your PC is out-of-warranty, you can use the self-help assistance options of HP Support Assistant to help you find an answer or solve your problem. One option is to visit the Consumer Support Forum (www.hp.com/support/consumer.forum) at no charge. You can also call 1.800.HP.INVENT (1.800.474.6836) within Canada. (Support charges will apply.)

[1] Microsoft® and Windows® are registered trademarks of Microsoft Corporation.This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
[2a] This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Dual/triple/quad-core processing available with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance of a system including a 64-bit operating system and a dual/triple/quad-core processor will vary. Dual/Quad/Triple Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. [3a] AMD's numbering is not a measurement of clock speed. [4] GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. [6d] Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided – Version 1.0 media. [7] 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 20GB of system disk is reserved for system recovery software. [8] High-definition (HD) content required to view HD images. [9] Actual speeds may vary.[10] Bluetooth is a trademark owned by its Company under license. [10b] Wireless access point and Internet service required and is not included. Availability of public wireless access points limited. [12] Weight will vary by configuration. [15] Internet access required and sold separately. [15a] This is a 30-day trial for 100GB of storage. After 30 days there is a fee associated with the service depending on storage needs or 2GB of storage for free. [16a] Actual speeds may vary. Don't copy copyright-protected materials. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Double Layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. [16d] LightScribe creates a monochrome image. LightScribe media required and sold separately. Actual speeds may vary. Don't copy copyright-protected materials. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Double Layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. [17a] Digital Media Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. [19b] Internet access required. First 60 days included. Subscription required for live updates afterwards. [25] Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and sold separately. [32] Support options are subject to change [34] Includes reduced functionality versions of Word and Excel. Purchase of Product Key required to activate full Office 2010 suite; available at participating resellers/retailers and www.office.com. [38] Internet access required and not included. This PC includes a FREE 30 day subscription of Norton Online Backup. To activate, simply click on the Windows Start button and launch Norton Online Backup.
